CROISSANT PARK

Once touted the “World’s Greatest Salesman,” Chicagoan Frank Croissant bought nearly 1,200 acres for \$1.25 million in 1924 south of New River to develop his Croissant Park.

Croissant Park remains one of Fort Lauderdale’s oldest subdivisions with tremendous spurts of growth over the years. Seen by many as the next Victoria Park, Croissant Park is enjoying redevelopment and growth steadily since 2015.

Less than 2 miles from downtown Fort Lauderdale and Las Olas Boulevard, and under 4 miles from the beach, this quiet neighborhood is ideally located.

THE THRILL OF FORT LAUDERDALE

VENICE OF AMERICA

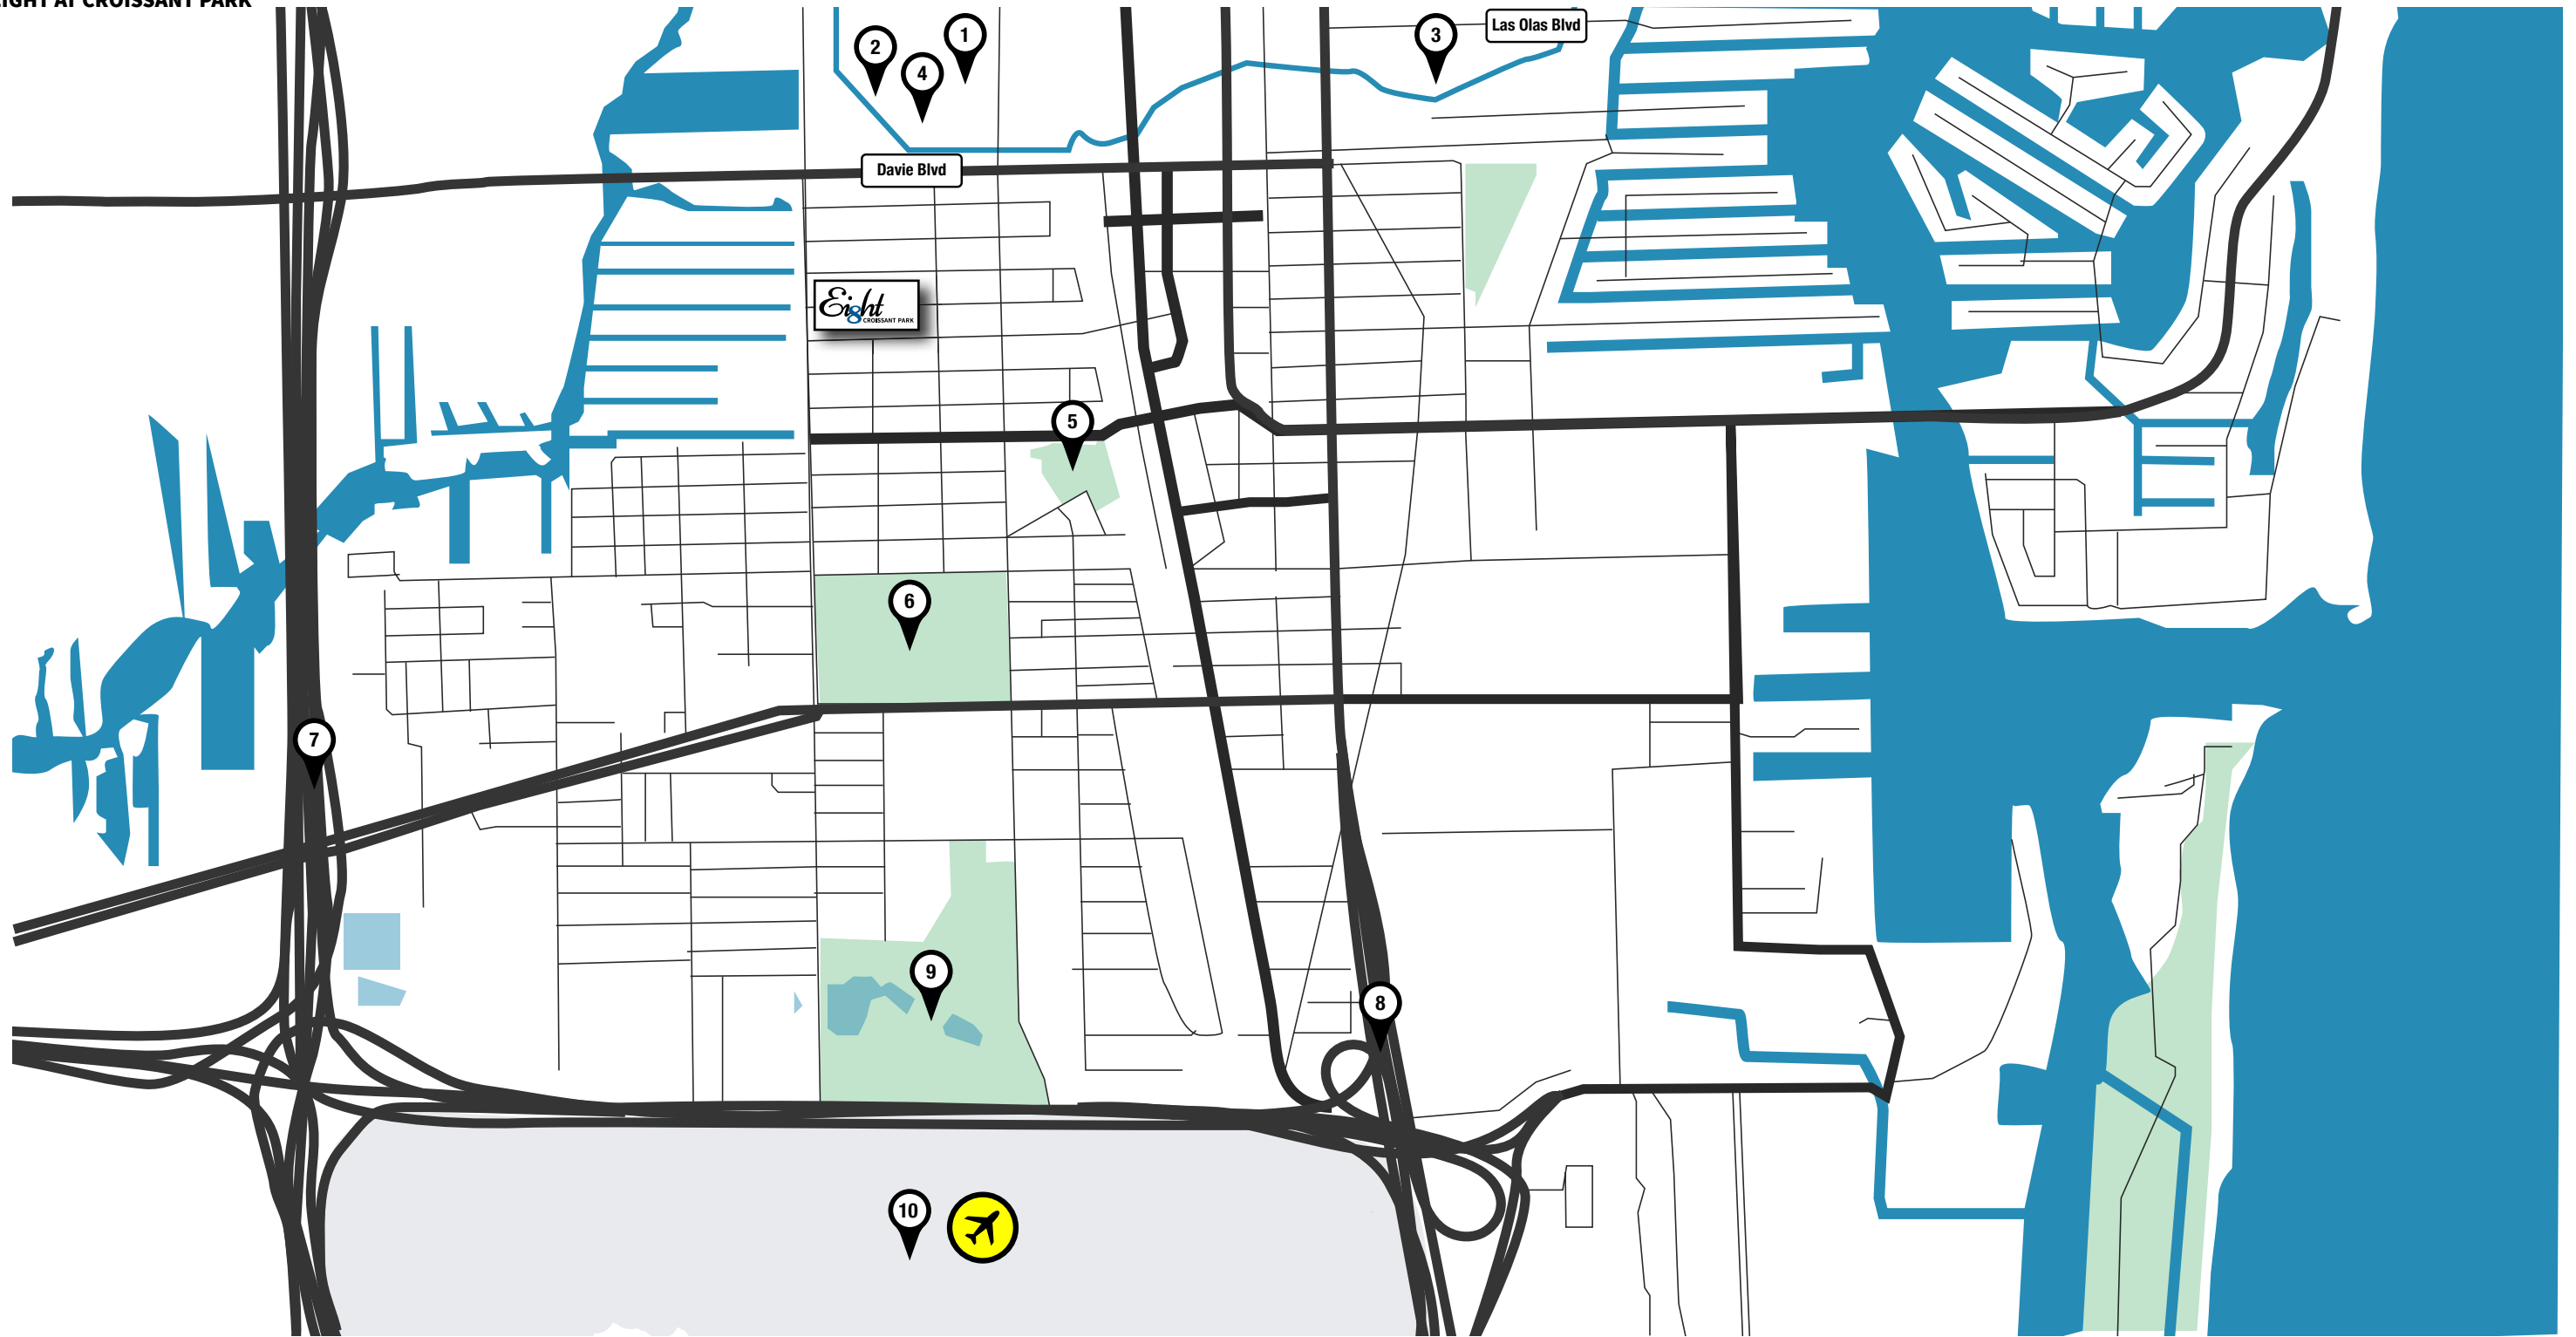

BEACHES, ARTS, CULTURE

Fort Lauderdale is famous for its beaches, arts, culture, and events. From shopping on Las Olas Boulevard to gondola rides on the canals, to a historic riverfront, this is the “Venice of America.” Along Las Olas Boulevard, enjoy Fort Lauderdale shopping, dining, and the

historic districts. From downtown, to surrounding neighborhoods, to A1A; from cozy coffee shops and eateries to upscale outdoor restaurants, bars, boutiques and luxury hotels - it’s all here.

EVERYTHING IN REACH

Croissant Park is one of the most convenient locations in Southeast Florida's Broward County. Living in this part of town is wonderful because we are very close to the

famous beaches and restaurants of downtown Fort Lauderdale. The Broward Center for the Performing Arts, Riverwalk, and trendy Las Olas boutiques are just a short ride away.
